Details: FilmExtras are a 4-piece group of multi-talented musicians and songwriters, based in the lonely windswept foothills of the Pennines, on the far-flung fringes of Manchester, UK. Since the late 90s they have ploughed a furrow that is both long and meandering. An exciting live proposition, despite a reclusive sensibility, their rare performances never fail to impress. Reduced to Clear is an exclusive compilation of tracks from the albums Unsafe at Any Speed! and Knowing When To Stop and the long deleted and much sought after limited edition EP Undercurrents, plus 2 new recordings only available on this collection.
