

Mp3 Garkott - Scari Piktures

[DOWNLOAD HERE](#)

A roller coaster ride of Rock, sometimes heavy, sometimes not, but always exciting, covering many styles with harmony rich vocals and dizzying instrumental riffs that will take your breath away. 14 MP3 Songs
ROCK: Hard Rock, POP: Power Pop Details: Garkott. Even the name is different. There is nothing ordinary about this band. They are like nothing you have ever heard and everything you have ever heard. They are Style Defiant. If you are looking for the ultimate crossover Rock band Garkott is your choice. From hard rockin screaming guitar solos to harmonies that make Crosby Stills and Nash jealous this band covers it all in Rock. "Defies Description" was the way Garkott was hailed when they won a recent Battle of the Bands. So if you are sick of the one trick pony, one hit wonders pick up a copy of Garkott's new CD today!
