

Mp3 International Espionage! - (self-titled Ep)

[DOWNLOAD HERE](#)

Sounds like DEVO covering "Sonic Reducer" by the Dead Boys. 5 MP3 Songs POP: New Wave, ROCK:

Punk Details: The following is classified information regarding: International Espionage!, The information we have compiled thus far is as follows: Tim Holly AKA: Agent Number 6. Background: Believed to have changed alliances multiple times in eight years. Is the known orchestrator of this new organization.

Previous Alliances: Manplanet, Red Phone Dispatch and Destructive Urge. Current Status: Operating guitar, programming synth bass and drums, vocalizing messages during performances, and on recordings for International Espionage!.

Aaron Sapp AKA: Agent Sure Shot. Background: Has successfully conspired to keep tempo with the drummer/drum machine in at least two previous organizations. Previous Alliances: Red Phone Dispatch and Destructive Urge. Current Status: Operating the bass guitar for International Espionage!.

Mike Grant AKA: Agent Switch Wire. Background: Minimal information available, has a penchant for electronics. Previous Alliances: Unknown Current Status:

Operating the synthesizer, vocally supporting messages during performances. John Crawford AKA: Agent Urgent Fury. Background: No information available. Previous Organizations: Unknown Current role:

Executing percussion in conjunction with prerecorded synth drums. As an organization, they have been appearing at the 400 Bar, the Uptown Bar and the Triple Rock Social Club on a regular basis since the

spring of 2006. Their sound has been likened to "What Devo might sound like if they were covering Sonic Reducer by the Dead Boys" (David de Young, howwastheshow.com.) Their fan base is growing, but, with

your help, we can stop them. We thank you in advance for your assistance, The Company. contact info myspace.com/espionagempls internationalespionage@gmail international-esionage.com
