Burning hot. Creative blends of Hardcore Rap, Reggae, Raga, Dancehall, R'n'B, Funk, exotic oriental flavors. Features impressive work with Sony Label Producer Paul Sapiera. 12 MP3 Songs HIP HOP/RAP: Hardcore Rap, WORLD: Reggae Details: Sex Mania features impressive work with Sony Label producer Paul Sapiera. This rap/reggae album is laced with flavors from around the world. Though the music is closer to mainstream hip hop and reggae, Jio4Life likes to blend in flavors from the Far East, Africa and Asia. Porno Star is a blend of funk rock and rap, with very naughty lyrics, Crank Up Da Yo! is a blend African tribal beats with Techno Rap, Sexy Cool is a blend dancehall and raga, while the remix is dark gangsta rap. Lila Lila has an eastern chorus. Among the favorites also is I Came 2 Stay. This is a man's man love song, hip hop/R'n'B. This album has been in the making for one whole year where Sapiera and JiO filtered through the tens of songs they worked on and chose the cream of their work to put in this album. The album received many good reviews from radio stations around the world, and some good press coverage. You can visit our website to download free ring tones. Just listen to the streams to know which one to download free. Also you will find info on how to participate in Porno Star upcoming video clip. 1 Dollar from the sale of each album copy will go to Oxfam, a charity combating poverty around the world, especially in Asia and Africa where half a million people die every DAY of poverty-related causes. To know more about Oxfam visit oxfam.org.uk. The song Life So Hard is dedicated to Henry, one of JiO's friends, a doctor who died escaping war in Congo. (No JiO is not Congolese :o). In case you wanna know, 4Life is slang for forever or "the real thing".
