Jazz vocals in a big band setting featuring a talented array of superb instrumentalists. 9 MP3 Songs  
JAZZ: Big Band, JAZZ: Jazz Vocals Details: Larry Baskett's third album features him on trumpet, flugelhorn and vocals, backed by a superb small big band. While his warm trumpet tone and soft ballad voice resonate with many influences, his overall sound and conception are entirely his own. The 9 original compositions featured here are organic and harmonically rich. The arrangements, by guitarist Randy Vincent, are fluid and imaginative compositions in their own right.
