This husband wife team sings hymns, and original songs in diverse arrangements, and instrumentaion that will captivate and inspire your heart to worship. 10 MP3 Songs GOSPEL: Contemporary Gospel, POP: with Live-band Production Details: This debut CD showcases the extraordinary vocal talents of David and Tonya Hudson. This couple has traveled the states and abroad sharing their hearts for worship. Theyve shared the stage with such artists as Larnelle Harris, and Selah. Astonished is an offering of hymns and original songs that declare grace as more than just a word that Christians use when referring to their salvation experience. It shows it for the very basis of a Christians walk with Christ. This album is driven by the message, but the music is what will catch your heart. Its fresh, unique, and extremely well-done. Everything from the artistry to the production is flawless. The Hudsons have traveled extensively doing concerts. Both studied classically, and the quality of their singing shows it. They have spent many years leading worship in their local church. They are devoted to their 10 year-old daughter, Abbigail, and to their families and community. They are currently working on their next album.
