This international award-winning songwriter's CD of ALL NEW lullabies is an absolute delight for both parent and baby, and features lush orchestration with sublimely sweet-sounding vocals by Heidi Lee. 12 MP3 Songs KIDS/FAMILY: Lullabies, KIDS/FAMILY: Children's Pop Details: As tiny as a minute, tucked beneath your blanket warm, As perfect as an angel, in faith and face and form SO LITTLE, SO LOVELY, SO LOVED, Copyright 2006 Joan Scrivani (music/lyrics) After a stint in the music business, Joan spent many years as a successful childrenswear designer, where she took great delight in creating products that brought joy to little ones. Her love for babies is apparent in the heartfelt lyrics and inspired melodies of her lullabies. A published poet and writer, Joan is a two-time winner of the prestigious Phi Theta Kappa International Award for Musical Excellence. In addition to songwriting, she is a devoted mother and grandmother, tends her garden, enjoys artistic pursuits, and participates in altruistic endeavors, in particular, volunteer work with abused and neglected children. Heidi Lee (vocalist) is a former beauty pageant winner, who has performed at the United Nations, Trump Plaza and The World Yacht Club, as well as other top venues in the NY Metropolitan Area. A co-owner of Rapture Musical Entertainment, Heidi also finds time to assist childrens charities, and was recognized by the International and National charters of the Toys For Tots Foundation. This talented vocalist with a devoted fan base considers motherhood her first career, and her greatest achievement, her two beautiful children, Austin and Marissa. Doug Scrivani (arranger/producer) has been performing and recording since his teens. He met with early success sharing the stage with such rock roll royalty as The Rolling Stones, Joe Cocker, The Byrds, Paul Anka and many more. His guitar, keyboards and vocal excellence have taken him from the resorts of Atlantic City to New York Citys premiere venues such as Tavern On The Green, The Waldorf

Astoria and The Hotel Pennsylvania. Dougs productions have included several film soundtracks, the most recent starring pop icon, Zacherley and Debbie Rochon. But until the moon wanes pale against the permeating blue, And sleeping bees awaken to the day, And unfurled morning glories prove their finery anew, You, my angel baby, sleep away YOU SLEEP AND ILL DREAM, Copyright 2006
