A cool blend of Jazz/Pop/R&B with a smooth vocal presence. 5 MP3 Songs POP: Today's Top 40, JAZZ: Smooth Jazz Details: With smooth vocals, thought-provoking lyrics, and guitar work inspired by the likes of George Benson, Eric Clapton, and Stevie Ray Vaughn-and well versed in Jazz influences, Raymond Gregory writes songs from the heart. "Every song i write started with a conviction..." says Raymond. Whether it be songs about self worth (and where that worth lies) like "My Name", or songs that venture to answer important questions of existence like the title track to his debut release "Why I'm here", or straight forward anthems of love and praise; any listener of any background can find a familiar emotion, or even a piece of themselves within each song.
