Details: RINNESSY BIO Terin, otherwise known as Rinnessy, and to some just Rinn, a product of Richmond, California. Born into a family with a large musical background. Rinnessy was raised in the holiness church and raised by his single, church going mother, where he obtained his humble and musical ability. Like all children, his mom proudly prompt him into piano lessons which he took very lightly at the time. At the age of 14 he began to take his music gift serious, tickling the keys of ivory, composing musical tracks (slap). Many of Rinnessy's phriends believe he was just gifted to motivate, captivate, and devastate. A skill he used effectively to master the art of Hip-Hop/Rap and R&B music, and perfect his craft. In 1990, Rinnessy, the young rapper/producer, came up with the trademark name "Mactivity Productions," which he would use to promote his signature sound. Rinnessy is a natural. During the year of 1995, Rinnessy linked up with another up and coming musician named Ed aka EJ, who he met in a music course at a local college. (Ed later became a part of the producing duo, Mactivity Productions). Mactivity Productions' amazing talent has not just swept across various areas of the West Coast, but the musicians have proven to possess a diverse and extremely bicoastal sound that has allowed their names to travel coast to coast. Rinnessy is no stranger to the Hip-Hop/Rap world; in fact the Artist/Producer has appeared on a number of collectable albums already being sold commercially in musical outlets throughout the world. His debut album entitled "ALL IZ NEVER SAID" is available now on-line and in all record stores. Rinnessy's lyrical and musical diversity is demonstrated in 18 bangin joints strictly for Rap connoisseurs and Hip-hop heads across the globe. So treat yourself and support an upcoming and
