Well, we are very pleased to say, "It is done!" After 3 years of working on this project it is finally finished. Hallelujah! The name of the CD is "His Grace Abounds." You may recognize that title as the song that Todd wrote for Susan when she was struggling with cancer. Todd and Susan have found the song to be a great reminder of the grace that God offers His children. Who is Todd Green? Todd is a high, lyric tenor with a smooth, easy sound. He has 2 degrees in vocal performance and a heart for singing for God. Most of the time you'll find him leading worship at Harpeth Heights Baptist Church in Nashville TN where he serves as the Minister of Music and Worship. Todd has played guitar for over 24 years. "I only learned to play the guitar because I got tired of singing a cappella," Todd says with a smile. "Since then the guitar has become a vital part of my ministry. I do a lot of my song writing using my guitar and many times I lead worship using it." Who is Susan Green? Susan is a pianist extraordinaire. Her quiet unassuming personality is reflected in her soft, subtle playing. Most of the time you can find her playing at Harpeth Heights Baptist Church where she serves at the church accompanist. Susan holds 2 degrees in piano performance. She could have pursued a career as a concert pianist but chose instead to invest her time in teaching. "I feel blest to be able to use my gift for my church and for my Lord," Susan says. Susan's servant heart can be seen in many ways whether she is playing for the youth at music camp, coordinating the children's choirs, taking care of her daughter Mary Elizabeth or helping her husband in the music ministry. She is truly a beautiful woman with a beautiful spirit!
