About his second album collaboration with Marty Townsend, Tony says:- "Working with Marty has been a fantastic experience. Such a knowledgeable musician, full of great ideas and then he gives you a solo to die for! I'm so glad we had the good fortune to find Marty while we were living in Belgium, and to have recorded two albums together is very much the icing on the cake!" About Pino Palladino:- "It goes without saying that Pino is one of the most gifted bass-players on the planet, but the thing about Pino is he's such a lovely guy! That apart, he plays EVERY note as though he means it - seems to think about all the little nuances needed for any given song. In a nutshell, working with Pino is almost as good as something else...." Of Ian Thomas, Tony says:- "Ian (Yanto) is not only a beautiful musician, he's a drummer as well! And on top of that, he's a big cuddly bear! Work on this project was made easy because of Yanto's great talent and professionalism. We also had a lot of fun....!"
