Contemporary folk originals for fun and thoughtful people. An articulate assortment that will touch your heart with the sounds of an acoustic guitar and a warm, clear, female, voice. 13 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Vicki is a folksinger and a songwriter based in Fort Collins, Colorado. If you like '60-style folk and folk-rock (like Joni Mitchell, James Taylor or John Prine) or contemporary folk, singer-songwriters (like Shawn Colvin, David Wilcox, or Dar Williams), you'll enjoy the warm voice and acoustic guitar of Vicki Pompea. Having Vicki Pompea as a featured monthly performer was a wonderful addition to my coffee and ice cream shop here in Fort Collins. With her warm and welcoming style, and variety of music, she attracted a wide range of customers to stay and listen - and of course come back the next time she was on the schedule. She made everyone who listened feel they that they are part of her family for that evening... - Jim Beikler, Owner - Mocha Bay Company, Fort Collins, CO ... thank you for your CD. I just listened to it. And girl, it is magical. It is wonderful. I got goosebumps listening to some of the songs on there... It's just so lovely. So I just wanted to thank you for sharing it me. - Rosann Winn, Singer-songwriter Vicki Pompea makes you feel right at home. Her easy style and gentle smile welcome you to her gig as though she were inviting you into her living room for a casual evening of singing by the fireplace. In a seemingly effortless fashion, she weaves a basket of delights for a variety of musical tastes, ranging from pure folk, to folk-rock, to country-rock. Her alto voice is somewhat reminiscent of Joan Baez, but with a softer and gentler delivery, and clear tones. - Debbie Bidwell Unique and interesting lyrics... You are truly a fresh and original lyric writer, Vicki. - TAXI: The Independent A&R Leader
