

Mp3 Waterjuice - Hydrophonics

[DOWNLOAD HERE](#)

Waterjuice is on a mission to bring highly experimental audio nectar to electronic music. Fusing downtempo tracks with the trance-ecstatic school of thought. Hydrophonics will simultaneously groove and squeeze you. 10 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Soundscapes Details: Tune in to Radio Free Vaporvent, and see what Captain Nemo was really up to! If you compress water, what essence are you left with? - asks Raven Tupling. The answer is the San Francisco- based duo Waterjuice who have opened a Pandora's Box with their debut album 'Hydrophonics'. Waterjuice is on a mission to bring highly experimental audio nectar to electronic music. Fusing downtempo tracks with the trance-ecstatic school of thought. Hydrophonics will simultaneously groove and squeeze you. The album is as lush as its title suggests, fraught with deep atmospheric Vog blended with solid electronic beats, ethnic polyrhythms and a touch of didgeridoo.
