Breaking Ground Ava Rose Johnson Buddies since kindergarten, Ray Jenkins and Eric Richards have never crossed the line into a sexual relationship. But when Ray breaks the news to Eric that he's leaving for war, their friendship suddenly slides into something deeper, and what's intended to be a guys' night in turns out to be a guys' night in bed. Two years later, their one night of hot sex is a distant memory and having heard nothing from Ray since his abrupt departure, Eric can't believe it when his old friend shows up. Using his mouth and his hands, Ray makes it clear how much he still wants Eric, and unable to resist, Eric falls right back into Ray's bed. But fear that Ray will leave again holds him back, and despite the passion growing between them, Eric can't let go of the pain he suffered while Ray was gone. Ray has to convince him that this time 'round he's not going anywhere-or their burgeoning relationship will be over before it has the chance to begin.
