What do you do when the universe conspires against you? Calandra has her future all figured out: She'll live with her overbearing mother another year, then she'll be free to pursue her heart's dream-being a librarian. Then her mother is murdered, she's stalked by mysterious beings, and the future she's longed for crumbles. On her quest to return the chaos of her life to order, hidden truths are uncovered that set her on a course she could never have imagined. She must confront ancient secrets, battle mysterious forces and survive the wrath of the gods before peace is restored and her life is again her own.
