Intelligent Systems: Approximation By Artificial Neural Networks

[DOWNLOAD HERE](#)

Univariate sigmoidal neural network quantitative approximation.- Univariate hyperbolic tangent neural network quantitative approximation.- Multivariate sigmoidal neural network quantitative approximation.- Multivariate hyperbolic tangent neural network quantitative approximation. EAN/ISBN : 9783642214318 Publisher(s): Springer, Berlin Discussed keywords: Intelligente Systeme Format: ePub/PDF Author(s): Anastassiou, George A.
