How to -without the big time hype- build up a simple web site, market it and walk down to the bank for real, cold, Internet money! OK, let me show you -exactly- how to... Plan and build an Internet Business like a Pro... and peer into profits the way its really done by the big players. Furthermore, I will tell you how you can do it with absolutely no previous experience, from scratch, no matter WHERE in the world you live. Well done Jose! I never realized how lost I was trying to make money online until I came across this course. This is just what I was looking for! Robert W. Lovejoy High School Teacher Chico, California SORRY! I cant make you rich overnight using a sorcery wand. But I can show you how to work from home, and how to make money using no more than your computer, your desire to succeed and applying real (no hype whatsoever) Internet marketing techniques. Give yourself just a few weeks (or days!) and youll be walking to the bank while friends, relatives and everyone else keep asking themselves how did you manage to do it! No. I am not going to show you any magic formula. And we are not going to reveal the Internet secret golden trail. Theres no e-marketing hidden lore. There is a real, proven way to succeed online. But first, let me tell you what this is NOT: This is not any hype or scam program. This is

not a do this for me and Ill do that for you kind of a deal, like multilevel marketing. This is not something that will tell you to sell this very same product to others to make money. This is not a course or a way to sell marketing products to others and tell others how to do the same. In fact, we would understand if you never tell what you will learn to anyone! Do you have a computer, Internet access and a bank account ready to accept serious monthly checks? Good. Then you are all set up! No matter where in the world you live! Read on... Once I thought I would not be able to hit it big online just because I didnt write like a Pro native speaker, and because I could not access the hot US market. How wrong I was ! Thank you so much! -Won Tak Lee Student South Korea Introducing... THE MARKETING MASTERS COURSE For Newbies and Pros Just released September, 2005! Search Engine Marketing Master Course (175 pages!) Step by Step beat Search Engines and boost your ranking (SEO). A \$67 value! So... How much is this full featured, 92 pages main guide plus over 500 pages of updates plus overwhelming quality bonuses (more on that in a minute) plus updates for life Marketing Master Course worth to you? Lets do some numbers. You could purchase professional services to set up a good selling website, and hire a pro copywriter... This will be about \$300 for the design (nothing too fancy) and about \$1000 for the copy (nothing too amazing). Then you can hire a SEO (search engine optimization) company, to fix your code, design and copy for a good search engine ranking. You would probably be thinking about spending around \$800 . If you plan to promote your site (and you NEED to), you could blindly spend hundreds or even thousands of dollars before you find a profitable system using trial and error. If you decide to hire a pro, then expect to spend over \$1000 if you are serious enough. What we got here? About \$3100 And how about the countless hours, sweat and desperation put into your business just to find out you are not making a red cent out of it? Can you price that? But oh yes, you can do all of this stuff - the right way - by yourself with just the

right guidance. In fact, it is quite simple! And no. What you may be calculating is not by far the price of the Marketing Master Course. At least not today...
