

Mp3 Allie Jo Thomas - I Love Music

[DOWNLOAD HERE](#)

Great kids' music with the enthusiasm and voice parents and kids love. Great fun for the whole family learning all the different genres of music - each song a different genre. Easy to sing along with, lively variety of all new creative songs. 20 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Kid Friendly Details: This is the 4th of the CDs featuring the great talents of Allie Jo Thomas and our group of phenomenal songwriters featuring a different genre with each song! enjoy! * * * "Music opens the door to the good times. Music opens the door to my friends. Music opens the door to my heart strings. Music never ends. " What would we do without music in our lives? Music makes memories. It can make us laugh and it can make us cry. No matter what style or tempo, whether it has words or just a melody music is a universal language that brings meaning to our lives. We hope you enjoy our newest cd with its various styles of music and that these songs will bring a smile to your face and joy to your heart.
