Jazz - Reggae - World 5 MP3 Songs JAZZ: Acid Jazz, WORLD: Reggae Details: Antoine Roney is one of the most unique musicians of his generation. In his music exist a high level of creativity from which he strives to break sociopolitical, spiritual and metaphysical ground. His saxophone playing is beautifully abstract without trading in tradition. On this session he created a unique blend of John Coltranes superior conceptual style over Bob Marleys politically correct music. Both, John Coltrane and Bob Marley transcend cultures with their revolutionary music. Their music becomes a worldwide inspirational force for political, cultural and spiritual subject matter. They both contributed immensely to Modern World music. This session contains some of Bob Marleys classic songs like Redemption Song, Natural Mystic and Coming in From The Cold. Performed on a extremely high level of improvisational skill, this session is not only a poignant representation of spiritual force but it is enjoyable, exciting and tender! Musicians: Antoine Roney (Saxophones) Nasheet Waits (Drums) Rashaan Carter (Bass) Glen Forrest (engineer) EG Sound Inc.
