Every day street life, struggle, love, and party songs 14 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Hardcore Rap Details: BABY LOC Michelle Simmons was different and she knew it. Growing up unlike most of the girls in the neighborhood, she hung out beat boxing with the boys. She was involved in a lot of activities at the Newburg Boys and Girls Club in Louisville, Kentucky. After moving in with her father, she became more focused on her music and competed in talent shows. As a Moore High School student, she played varsity basketball, which helped her develop discipline and skills. She applied these qualities to her musical endeavors. Within her musical journey she learned how to set goals and work with intensity to attain them as she continued to prepare for bigger and better performances. Her achievement came with a lot of effort. She pushed herself beyond self-imposed boundaries. Baby Loc demanded a lot more and was determined to reach her goal as the next hottest Female Rap Artist. The name Baby Loc was given to her by a fellow musician. Her music is full of inner self-expression and passion. She feels music is the meaning of poetry, the inspiration of dreams and the spirit of the soul and emotions. She has grown and has become stronger and more poised. Her goal is to deliver her message to the world through her lyrics.
