Multi-genred mixed bag that ranges from pop to near jazz to blues and country. Adult contemporary. 13 MP3 Songs POP: Folky Pop, ROCK: Acoustic Details: Ben Juneau is a masterful songwriter whose first album showcases his rich, resonant voice and exemplary guitar playing. A 20 year veteran of the Kansas City music scene, Ben's unique style of smooth pop and moving melodies will remind you of loves past and present, and the battles won and lost. Ben is equally comfortable writing and performing in a wide range of musical styles, and this eclectic collection of 13 original songs is a testament to his ability to speak to the hearts of his listeners. After years of playing as the opening act for well-known artists such as Joan Baez, Bruce Cockburn, David Grisman and Jesse Colin Young, and attracting his own local cult following, Ben is poised to break out on the national music scene in a big way.
