Details: Chaun Man has been writing songs from the age of nine to the present. Throughout his life, it has been something that came straight from the heart. Music will always be a part of Chaun Man's life. The only thing he needs to create a hot Rap song is time to lay the vocals on a track. Chaun Man has performed at various clubs as well as collaborating with European Artists under East/West Records in Germany. The producers for the track realized the awesome raw talent they had in their studio and proceeded to create a smash hit. That was the late 90's. In 2003 he met 'DJ Dig 'Em' of Rough Records South. With that first meeting Chaun Man knew that he had found the Producer for him! Within 20 minutes Chaun Man and DJ Dig 'Em collaborated on the jam "Sticks and Stones". That first Collaboration between a Hot and Talented Rap Artist and a Hot Producer made it a 'Fa Sho Thang' ready to put the Rap Industry on it's ear. Chaun Man is also featured on other Rough Records South recording artists' projects. Chaun Man is doin big thangs for the '05' so keep your eyes on him. His Energy and Mad Lyrical skills will be required listening before it's all over.
