"Creature mix big beats, acoustic claustrophobia and electronic ambiance. Creature are the soundtrack for the paranoid android within us all." editors choice - Download Editor's Choice 12 MP3 Songs ROCK: Modern Rock, ROCK: Acoustic Details: "Hailing from Brighton by way of Jupiter, Creature mix big beats, acoustic claustrophobia, and electronic ambiance. Creature are the soundtrack for the paranoid android within us all." Editor's choice - Download "An austere, echoing album that sounds like it was recorded in a vast and empty school hall. It's reminiscent of Radiohead: Creature, known as Chris Snow to his mum, has the same sweet plaintive choirboy to his voice as Thom York." The Brighton Source - December 2004. Please have a listen to some of the music on this page. Stuff of Science Fiction (Track 2) is the most popular download and listen and was the first single. Everywhere (Track 6) is the second single although this is an album version. Recent reviews have identified influences from the likes of Pink Floyd, Radiohead, DJ Shadow and Unkle, Mogwai, and Elbow.
