ELECTRONIC: Electro, ELECTRONIC: Techno People who are interested in Prefuse 73 Ulrich Schnauss Hot Chip should consider this download. Details: Defender is the champagne of electronic music. Both unconventional and forward-thinking, this band knows how to get the listeners attention through its profound synth progressions and highly detailed production. Some might believe Defender is the perfect soundtrack to a sci-fi fantasy but don't let that limit your expectations. From the electro-funk "Media Test" to the somber, yet extremely catchy "Everytime I Fall" these guys really understand the expression quality vs quantity. Highly recommend a pair of headphones for the first few listens. -Pitchspoon 2008
