

## Mp3 Halcyon - Two Bars Short Of A Hit

[DOWNLOAD HERE](#)

Acoustic pop, great harmonies, one of our best sellers 15 MP3 Songs FOLK: Folk Pop, POP: Folk Pop  
Details: Not just another feminine product... Halcyon has 2 strong co- lead vocalist/guitarists in Stephanie Callahan and Deb Hunseder. Harmonies are simpatico. They'll throw a little harp (that's hip slang for harmonica), in there for ya, too. Some of the songs are fun, some thought provoking, some gutwrenching, but all are delivered with enough conviction to undeniably suck you in. But don't let the "2 girls with guitars, singing harmony" thing throw you...these girls aren't sittin' around the campfire singing Girl Scout songs! Oh yeah, they've won a bunch of awards and contests and stuff in their 15 years together, but do you really care about that crap? They're good. Period. And if you don't think so, they'll give you your hard earned scratch back. Honest.
