

Mp3 Hooke - Xysma-zyme

[DOWNLOAD HERE](#)

The madness known as Hooke continues to give you a mix of Pop, Rock and who knows what, with songs about death, big asses, war, bar fires in Rhode Island, pest control and divorce. 11 MP3 Songs

POP: Quirky, ROCK: Americana Details: Hooke's second release... bigger, better, but still at the same price! After the unexpected success of Hooke's first CD, Innocence Lost, he knew he had to supply his fans with new material. And so was born Xysma-Zyme. For those of you who are interested Xysma defines as, "membranous like material in some diarrhea stools" and Zyme defines as, "fermenting substance". Sounds like Hooke!!! As with Hooke's first CD, this album is a mix of Pop, Rock and other assorted goodies, with songs about death, big asses, war, bar fires in Rhode Island, pest control and divorce. All the things that make life great and America what it is! To assist with your listening pleasure, here is a breakdown of the songs: Song 1: light rock/beach theme Song 2: slow/easy to take the long rest with Song 3: pop-rap/big asses Song 4: instrumental/mystical and spacey Song 5: pop/excessive ego Song 6: rock/war Song 7: pop-disco? Song 8: country rock/Rhode Island bar fires Song 9: light rock Song 10: novelty rock/pest control Song 11: country-folk/divorce This CD is loaded with powerful harmonies and solid bass lines. As with Hooke's first release, Innocence Lost, there should be something on this album that most everyone would find enjoyable. And remember, with all purchases here, your satisfaction is guaranteed. Hooke's third release, "The Gator that Ate Uncle Bobby is Back!", is here! Hooke is:
