

# Mp3 Hypnotiks & Damien Lynch - In The Way

[DOWNLOAD HERE](#)

Within every relationship is an element of the unknown "what if he or she done this or that," then what do i do. Hence, the title of the song "In the way" a catchy but yet serious mid tempo scorcher which is about a relationship that turns sour. 2 MP3 Songs in this album (9:21) ! Related styles: POP: Pop, POP: Britpop People who are interested in Coldplay Timbaland One Republic should consider this download. Details: Hypnotiks are a production duo from North-west London who are aspiring to interduce the music industry with a new sound. They describe their music as an infectious experience, where their dreamy melodies, powerful drum loops and innovative texture of sounds coordinate in an intoxicating format. Kader and Leon Vandol are not just producers, they are also songwriters and Kader is an artist. The talents of Hypnotiks do not just revolve around beat making or programming, they are more focused on developing smash hit songs. Having grown up in the same area Vandol and Kader where known for their high school talent show performances; they soon came together to form Hypnotiks. What does the future hold for Hypnotiks? Well late 2008 will see the release of their debut album "System overload" that features a variety of artists including Kader; Whose catchy hooks combined with the melodic syncopated drum sounds of Hypnotiks are definitely guaranteed to make u move something.
