

# Mp3 Johnette Downing - Wild And Woolly Wiggle Songs

[DOWNLOAD HERE](#)

A 2000 Parents' Choice Award and a 2000 Parents' Guide Award winner, this animal songs album for children will monkey around in musical fun. 14 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: Johnette Downing has received eight national awards for her music including three Parents' Choice Awards and two Parents' Guide To Children's Media Awards, two National Parenting Publications Awards and an iParenting Media Award. She is singer and songwriter performing original music for children with Louisiana spice internationally. Her music has received rave reviews on ABC World News and in Booklist, Nick, Jr., The Los Angeles Times and New Orleans Magazine. Here is what Lynne Heffley of the Los Angeles Times says about Johnette's CD titled "Wild And Woolly Wiggle Songs" -- "Distinctive country-flavored vocals and a gentle educational touch are Downing's trademark and here her Louisiana rhythms and creative lyrics give effervescent life to one of the staples of children's music: animal songs."
