Live action ambient guitar. These are solo guitar pieces that sound not too much like guitar. 12 MP3 Songs ELECTRONIC: Ambient, NEW AGE: Ambient Details: We often think of so-called ambient music as great washes of sound that suspend the listener in a timeless and perhaps trance-like state. The approach here has been to infuse the ambient form with subtle pulse, which emphasizes the conditioned, temporal reality of the music, while yet avoiding the drift into dance versions of ambient, such as tribal, trance, and techno. Metasonic is not intended as dance music, although it does emphasize pulse. The virtue of the work lies in the live character of it. These are live performances; one shot. The music happened in the moment; it emerged from a particular time and place, and was a matter of life or death for the performer. This is bound to make a difference, and one can hear the hope and fear in these tracks.
