A great collection of emotive songs, performed and created in Katie's own unique writing style. A must hear CD for anyone who loves honest music from the heart. 11 MP3 Songs FOLK: like Ani, FOLK: like Joni Details: The album we've been waiting nearly 2 years for...is finally here! Confessions is Katie's first full length album and contains 10 brand new tracks. Katie describes this CD as 'a collection of demos recorded in random places rather than a properly planned album'.....as most of the tracks that appear on this CD are the original demos, either recorded at Katie's studio or where ever she happened to be when inspiration struck! This is a truly wonderful collection of songs, written in Katie's typical soulful and emotive style. There's no frills with this CD - it's just pure and raw emotions, layed down in a way that only Katie Marie knows how. ***** Katie: Vocals, Drums, Bass, Rhythm Guitar Luigi Langella: Lead Guitar Francesca Hayden: Strings
