CD REVIEW BY PAUL DAVIS FROM UK CMA; NCM RECORDS; and NCM RADIO SHOW: LYNN BECKMAN LOOKIN'DOWN THE ROAD ANCHOR CROSS / SWANTON "Here's a wonderful... talent now based in Maryland (USA). If you like true-blue country a la story-telling-style then this is for you. Deep-velvet vocals (Lynn is a fella!) in the best Cash-Reeves tradition, the 21 engaging ballads have been commendably produced so to deserve to be sought out by the devotee (especially for the Billy Walker tribute). The mainly self-penned 'easy listening' ballads are professionally paraded and delivered with tender heart. Over recent years, country radio DJs worldwide have taken this man seriously as his talent begs comparison with the best. Not lacking in experience because of past history, this latest CD is ample proof that he is a most competent and compelling talent. Guesting... are his son TIM BECKMAN, LISA MEADOWS, and RONNIE RENO." PAUL DAVIS pauldavisauthor newchristianmusic ncmradioshow ukcma.org
