Music which is pleasant to the ear and good for the soul. 8 MP3 Songs COUNTRY: Country Folk, COUNTRY: Modern Country Details: Wayne Keller (Songwriter): Wayne Keller was born the 9th of ten children, and reared in southern Iowa. His upbringing and values taught to him are an inspiration to his song writing. He has been writing songs most of his life. In 1989 he became more serious about writing songs which, as he puts it, "are pleasant to the ear and good for the soul," and wishes to bring good wholesome songs to mainstream America. The only kind of music he writes is that which people of all ages can enjoy and appreciate. This desire is to make an impact on the music scene with music which is easy listening has great story content, and has strong moral foundations. "As a song writer, I sincerely hope you will enjoy my music and will treasure it for years to come." Richard Mazzarella (Artist): Richard Mazzarella has been involved in music since he was a young boy. Ever since he picked up the guitar at age 12, music has been a vital interest in his life. Here is what Rich has to say about this collection: "These songs that we've recorded have matched this singer/guitarist with the lyricist/writer Wayne Keller. These ballads represent not only musical ideas but tell of the stories of life. These tales depict many characters that we hope you truly enjoy hearing about. Hopefully you'll enjoy listening to this album as much as Wayne and I have enjoyed producing it."
