

## Mp3 Robert Gray - Visionator

[DOWNLOAD HERE](#)

This album showcases some of Robert Gray's most memorable lyrical and instrumental songs. A good all around representation of Robert's music, this CD gives the listener the most 'bang for his buck'. Robert's music is kind of a cross between the Beach Boys 17 MP3 Songs in this album (61:49) ! Related styles: POP: California Pop, ELECTRONIC: Pop Crossover People who are interested in Aphex Twin The Beach Boys Todd Rundgren should consider this download. Details: Robert Gray here... born in Hollywood, California, I've played music professionally, and now own a design firm/advertising agency in Channel Islands Harbor, California where we create websites, hi end print pieces, trade show graphics and multimedia projects. My songs range from Ballads to Power-Pop to Industrial Crunch and I would enjoy collaborating with other artists.. and yeah, I love to ride motorcycles.
