

Mp3 Trance Blackman - Opus Instrumentalis: Vibrations

[DOWNLOAD HERE](#)

An instrumental, eclectic blend of pop, dance electronica all infused with euro, ambient, mellow aggressive beats. Check the samples to understand... 11 MP3 Songs ELECTRONIC: Dance, POP: with Electronic Production Details: The 2nd album in the "Opus" series, Vibrations, is a mix of dance, electronic, house, and other instrumental pieces that have very little to no vocal work at all. It's about the melody, and rhythm, and the mood... Vibrations also houses a blend of upbeat and aggressive to the near-ambient feeling and low-key mixes that won't get in your face too much! So check out the samples! The album has been described as cinematic, in that when you listen to it from end to end, it has ups, downs, lefts and rights... Sort of like a film score, with heavy electronic influences. eNjOy! And please leave a comment/review, good or bad. I love to hear from you music fans out there! tb NOTE: all of these songs are available worldwide from your favorite digital download store! tranceblackman.com
