Fourth-year medical student James Stillman knew firsthand that life was lonely at the top. His privileged, isolated upbringing left him unable to build lasting relationships--professional or personal. Until he met a sexy, independent redhead who brought him back down to earth! Just when children's-party planner Shannon Gambill got her life in order, a handsome stranger strode into it and stirred something that could lead only to chaos. How could she possibly resist the gifted doctor who had saved her nephew's life... and set her heart ablaze with one smoldering look? A take-charge, dominating man was the last thing she wanted. Yet the considerate, passionate man lurking beneath James's hard exterior might be just what she needed....
