The Bible is as relevant today as it was in Jesus' time if you only know where and how to look. In Scripture to Live By, you'll find people of practical faith just like you, who look to the Scripture for guidance in the living of their daily lives. The problems they face are large and small, petty and profound, life and death-from raising kids on your own to dealing with serious illness. Yet the solutions are all to be found within Scripture if you learn to read God's word with an open heart. Arron Chambers shows you how to do just this through his insightful commentary that accompanies each story. This collection of stories by some of today's most respected Christian writers, including Molly Noble Bull, David Faust, and Dr. Rebecca Price Janney, is sure to teach us all how to keep God's word with us throughout the day.
