"Discover How This All-In-One Search Engine Software Will Help Save You Time And Effort!" As a busy online marketer, you sometimes have to spend hours upon hours writing, creating products, perhaps some technical stuff. The last thing you need to do is to trawl Google, Yahoo and various search engines one by one exhaustingly to copy and paste keywords and research hits into files. You wish there was a lazier or easier way to do research. After all, you do want to spend your time building up your business and products, rather than wasting time trawling through dozens of search results. You also want something that's user friendly, straightforward which even an old grandma can use and not spend time on the FAQ page! Hence, we've created an all encompassing search engine software which will allow you to do all your research at one go swiftly. Introducing Search Buzz... Instead of going to search engine websites one by one, Search buzz helps you trawl all the major search engines just by using one software. You don't even need to open a web browser to access the multiple search engines! You can even select to show only just the top 10 rankings of your search item. Afterwhich, you can easily save all your search results into a simple, easy to read file that can be stored onto your computer. That will

certainly save you a ton of time and effort while researching on the internet! Software Valued at \$37 What This Amazing Software Does: Save tons of time copying and pasting from the web by getting search engine results saved directly onto your computer through the software Utilize the power of all the search engines in just a single click Export all search results into a simple, easy to read file which can be kept for future reference Have no more hassle of going to multiple sites to search for a particular topic! (Have them accessible all at once saves time and effort normally spent on trawling major search engines!) Have all your search results listed in one full page unlike the search engines where search results are broken down into a mess Software acts like your own personal all-in-one search engine on your desktop And Much Much More! FREE BONUS: Giveaway Rights To The Software Worth \$27 And to make this even more irresistible, I'm going to give you the Giveaway Rights (Worth \$27) to this software which allows you to be able to distribute it freely to your either your subscribers or your prospects. You can use it to add value to your subscribers and keep them happy or use it as an ethical bribe to get people to opt in to your list. It's completely up to you! So don't hate yourself for missing out on this crazy opportunity! Just enter your first name and your primary email below then click the "Give Me Instant Access" button to receive your FREE software.
