Book 4 in the Bloodlust series Unlucky with love. All the attractive women in vampire Aleksei Madison's life, starting with his mother, have disappointed him. Having suffered countless romantic disappointments in the past, he is in no mood to be taken in by yet another pretty face when he shares a passion-filled weekend fling with full-figured Dani Tyler. Although he finds her physically attractive, he has no intentions of allowing Dani to touch his heart. And yet she does. To complicate matters, a secret he has guarded for nearly sixty years is about to be revealed, threatening all those he holds dear. As he races to save the lives of his siblings from the most powerful foe he's ever faced, he leaves Dani guarding a secret of her own that will forever change both their lives. Love with a younger man? Sometimes having your darkest fantasies fulfilled can have devastating repercussions. Raised in a small town, Dani is dismayed to find herself madly in love with a man who looks young enough to be her son. But the darkness in Aleksei both frightens and attracts her. She must decide if loving Aleksei will bring her nights of endless bliss or result in the lost of her life and soul to the darkness within her nocturnal lover.
