Come lie with me and be my love. How Dione Kelley longed to hear those words. But Blake Remington could never speak them to her. An accident had left him unable to walk, and her therapy had made him whole again. She had given him back the strength he needed to be a man and in so doing robbed him of the chance to see her as a woman. How could she believe his words of love, when she knew they were spoken only out of gratitude?
