When time is of the essence, trust Countdown to French to help readers master the language quickly and effectively. Organized into 24 units--each of which is designed to take no more than one hour to study--this self-instruction book presents material in a "countdown" fashion, from Hour 24 all the way down to 0, allowing learners to gauge their progress along the way. Beginning with a basic introduction of grammar and vocabulary fundamentals, the units move quickly to practical conversational skills for both vacation and business travelers. Upon completion of the guide--the equivalent of just one day--readers eager to apply their newly honed language skills will be able to communicate in a variety of everyday, real-world situations.
