Ball Busting Scissor Biotch brought to us by KANDOR This painter just wants to do his job and get the window painted over like he was told to, but this uppity biotch takes offense to him getting in her space, so first she takes him down with a hard fist to the nuts and then she proceeds to scissor him from every angle. . . she forces him to take off her shoes while she talks on the phone, and continues scissoring him!

Ball busting, scissors and more!
