

Healing Quest: A Journey Of Transformation - Marie Herbert

[DOWNLOAD HERE](#)

When her two daughters were approaching the finish of their education Marie Herbert felt the need to mark the end of the child-rearing phase of her life by a rite of passage, a way to find herself a new place in the grand scheme of things. Long drawn to the Native American spiritual tradition, she planned a visit to the United States and an extraordinary journey of personal transformation under the guidance of Native American Healers. However, the end of her time of motherhood coincided tragically with the sudden death of one of her daughters and so her odyssey was to become far sadder and more urgent than she could have imagined. HEALING QUEST is the fascinating description of Marie Herbert's inner and outer journey of the heart. Vivid portraits of the people she met along the way are combined with honest accounts of the change in her feelings - together with ideas about how the readers, too, may learn from what she experienced and so gain insights into his or own life, whether in practical, emotional or spiritual terms.
