

Miraculous: A Fascinating History Of God's Signs And Wonders - Kevin Belmonte

A beautifully researched history of God's Miraculous signs and wonders. In our age of constant innovation, technological achievement, and the sad tendency to see ourselves as the captains of our fate, we may be tempted to make little time for miracles, or give little credence to them. But to live our lives without a sense of the miraculous is to live impoverished lives. Our word for miracle comes from the Latin word mirari, "to wonder." And well might we wonder when we consider the nature of miracles and their purpose. For always, Scripture teaches, the emphasis is on what God has revealed through the miracles he has bestowed on humanity. Miracles are all about him, and what he has revealed is extraordinary. Kevin Belmonte provides learned insight into the profoundly important history of miracles. Miraculous is a richly researched tapestry of wondrous things that have taken place from ancient times to the present.
