Humor meets awesomeness 14 MP3 Songs POP: Today's Top 40, HIP HOP/RAP: Rap Details: Adam and Andrew "Adam and Andrew" was founded in 2002 during Adam and Andrew's senior year at Oak Ridge High School in El Dorado Hills, California. After making "Rap Sucks" followed by the mostly improvised "Love Song/The First Song We Ever Wrote," they knew they were bound for great things. A few months later they wrote "Do it in the Butt," then departed to college at California Polytechnic State University in San Luis Obispo, California. They rocked the dorms and the internet with their "All The Things She Said" parody called "We Are Lesbians." The following summer they released the John Mayer "Wonderland" parody called "Candyland" based entirely upon the fact that John Mayer looks like a possible child molester. After a brief lull, they blew up the internet music scene with the original track "Emo Kid" and released the CD "Music Pimps" the following summer. The duo still resides at CalPoly and continues to write new songs, hoping to release a new CD by Summer 2006. They are currently searching for a label to sign with so that they no longer have to produce every CD from their cramped apartment. They also sporadically perform concerts for the Smile and Nod improvisational comedy troupe at CalPoly. And they never wrote the "I'm a Gangster" song. Adam Christensen Adam is currently a 4th year Industrial Engineering major at CalPoly. He hopes one day to get into the FBI or discover gold, despite the knowledge that gold has already been discovered. Andrew Portner Andrew is currently a 4th year Computer Science major at CalPoly. He performs improvisational and standup comedy with the local comedy troupe "Smile and Nod."
