You will find yourself happily singing along to these eclectic indie pop arrangements and intelligent lyrics. The songs range from feel-good rock and roll songs to heady ballads. 8 MP3 Songs POP: Pop/Rock, FOLK: Folk-Rock Details: Animatic hails from Ypsilanti, Michigan. The lyrics range from relationships between friends to creatures on the bottom of the ocean (i.e. future album, 'ballast water' 2008). These eclectic pop arrangements are original and may be considered an acquired taste. Many fans say that Animatic makes them happy. Although there are many feel good songs with an upbeat tempo, there also enlies a deep, dark lingering loneliness. Death and life are both themes culled by this artist. "Were a Friend" embarks the listener on a journey into the sordid mind of a depressed kid and segues into biblical references before concluding the story of a lost friend. This is just one example of the dark side that Animatic is under appreciated for. The shouters, talkers, and singers that back up Jeremy make this particular album really fun! People who are interested in Pavement The Flaming Lips The Velvet Underground should consider this download.
