FOLK: Traditional Folk, FOLK: Folk Blues Details: Based in Madison, Wisconsin, calicoDrifters

incorporates a wide range of American song traditions in its distinctive delivery Their songs cut a broad swath through the American musical landscape. Whether it be the raw sound of the delta blues; the distinctive longing of an old-time-styled folk song; the optimism of a snappy, World War II era, jazz standard; or the whimsy of an energetic, pop song, calicoDrifters plays with passion, conviction, and an authenticity that makes each song their own. Criss-crossing the country from Boston to Baltimore to Georgia to Colorado, California, and numerous points between, calicoDrifters' extraordinary, original songs tell the stories of everyday characters who live ordinary, rich and interesting American lives.

There's something going on here. Americana mixed with blues, folk and a little jazz, and great harmonies
