Details: Dania has been singing since she could talk, from her first performance of Otis Readings' 'Try a Little Tenderness' at the age of 5, to fronting a Metal band, as lead singer, in her teen. In college, she was prominently involved in an award-winning Celtic Chamber Choir, and also served her time as a wedding singer on the Irish circuit covering everything from The Beatles to Snow Patrol, and from Blondie to Dolly Parton. Dania's real mercurial range and spirit is evident when she is writing and performing her own songs. With a four-octave range, Dania is as comfortable with Country as she is with R&B, Metal or Indie Rock. Raised in Ireland, her Celtic roots, and her extensive travel has exposed her to a variety of musical and cultural experiences. Dania studied Music until she was 18 years and dance until she was 14 years. She currently lives in Scotland where she studies at Aberdeen University.
