A NEW VOICE FOR GOSPEL 10 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Soul
Details: We are given a glimpse into a young soul's journey from streets of Philly to the hills of Hollywood. As he matures, so do his songs and expressions. One can hear the aged spirit through his voice while singing songs of love, pain, and even social change; and don't look for any genre or repetitive themes, because the music sounds like a record store playing everything soulful at once. Even though David has found a home in Los Angeles, the journey continues for him to discover more of who he is, a deeper meaning of love, and a better understanding of God. So pay close attention and see what the future holds for this young man and his music. Inside Look: David listens to The Blind Boys of Alabama, Motown The Funk Brothers, Frank Sinatra, Ella Fitzgerald, Al Green, Bill Withers, Stevie Wonder, Eric Clapton, BB King, Marcus Miller, The Roots, Alicia Keys, India Arie, Ray Lamontagne, Jack Johnson, Ben Harper, and Ladysmith Black Mambazo.
