Wraps emotion, great songs and musical art into one album. 10 MP3 Songs POP: Piano, POP: with Live-band Production Details: Best known as the most downloaded indie pop/rock artist on MP3.com, Emily Richards is a singer/songwriter based in Los Angeles. She's released 9 albums on her own record label, Rillriver Records and her music has been downloaded more than 3 million times on the Internet. "Can't Take It With You" combines edgy rock songs with artistic pop songs and Emily's powerful voice. The album's songs "Meet Me," "There Is Peace," "Whisper" and "Can't Take It With You" have each gone to number one on the Indie internet pop charts. Emily's talent sets her apart from the over-produced, light pop music of today. More important to Emily than all of her successes is her message. During the final leg of her MP3tour, Emily's 19-year-old sister, Annie, was killed by a drunk driver near her home in Utah. This tragedy reshaped Emily's music and led her to form nonprofit AWAKE Community (awakecommunity.org) with guitarist Jason Brock to focus on educating youth and spreading the "don't drink and drive" message, among other human issues.
