RODERICK LOADED BOY AKA LB BIOS CRIZMATIK - I was born on August 6, 1979 in New Orleans and I started rappin in 1997 when aged 18. I hooked up with 2Face in 99' and he helped mold me into the MC I am today. At the same time I had a similar influence on him. I initially dabbled with a few names before becoming Crizmatik following a divine experience in 2000. My first recognition was when I won the Industry Image Award in 2000 after battling through 4 rounds. From 2000 through 2004 I won more than my fair share of battles nationwide, from New Orleans to Washington D.C. In 2002 I was on the verge of signing a recording contract with Jive Records, but chose not to sign the usual makety contract. In 2003 I opened for the late great Soulja Slim. Over the following year I performed at Twiropa, Tipitina's, The Warehouse and Mustang Sally's. 2004 was the start of Falcon Entertainment my own label. In 2005 Crizmatik rocked Twiropa, Tipitina's and the House of Blues, three months in a row, in front of a packed house. Crizmatik's single 'Filthy Dirty' continues to blow up the airwaves and is in rotation on B97 (WEZB). 2FACE - I was born on December 23, 1982 in Norfolk

Virginia. I started rappin at the age of 9 and met Crizmatik in 1999. We quickly became friends and rhyme partners, helping each of us grow into monster MC's. In 2002, we both had the opportunity to sign the usual market deal with Jive and chose not to, instead focusing on starting Falcon Entertainment. I continue to perform live at venues such as Tipitina's and The Warehouse. In 2005, keep ya ears out for Da Flipside, my solo joint coming out on Falcon Entertainment. BIG JAKE - I was born on June 1, 1982 in Metairie, LA. I started working at 12 and never stopped the hustle. When I graduated high school, I went to work offshore and that gave me my financial start. I started rappin in 2002 and I hooked up with my mentor Crizmatik in 2003. In 2004 I helped found Falcon Entertainment, and I co-produced and appeared on the street smashes Falcon Entertainment - The Mixtapes Vol 1 & 2. Throughout 2004 we have appeared at Twiropa and Tipitina's and I am featured on the Birds of a Feather compilation. Look out for my soon to be released solo debut album Jacob's Ladder. R.O.D. I was born on August 22, 1983 in Marrero, Louisiana. I started rappin in 1999 and have appeared on several mixtapes, most recently Falcon Entertainment - The Mixtapes Vol 1 & 2. In 2004 I signed with Falcon Entertainment and went on to perform at Tipitina's. I continue to maintain superior street cred and I thank God that I am still alive. I am heavily featured on the Bird of a Feather compilation and keep an eye out for my solo debut album on Falcon Entertainment, My Testimony.
